Community Impact

Connected for Change

The Africa Health Agenda International Conference (AHAIC) is one of the continent's most influential convening on global and public health.

Since 2014, AHAIC has served as a continental platform for multi-sectoral dialogue, co-creation, and collective action, bringing together different stakeholders to advance Universal Health Coverage (UHC) and resilient health systems.

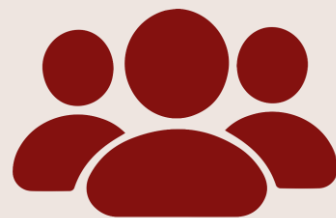

Africa-led and globally supported, AHAIC ensures African priorities shape global health discussions, elevates local leadership, fosters innovation, and builds lasting partnerships.

AHAIC is internationally recognized, winning the **2025 Cannes Lions Award** and the **IPRA Awards For Excellence (NGO Category)**.
